**Subject:** typo on signature page of EMDF ROD

I just got a call from DOE because they found a typo on signature page of EMDF ROD. This is actually the D2/R2 version. It is correct everywhere else in the document. They are trying to see if they can fix it and send us the corrected page that we can replace or will get new signatures and send to us ASAP. I just wanted to give ya a heads up on this.  
Glenn
